from year to year has been sanctioned. The Ind Board (Nagamangala is a non-regulation unit) a copy of whose resolution has not been submitted propose that the post of manager may be made permanent, to serve as an incentive to better work. The receipts noted in the margin of the paper under disposal show that the cost of collection is not within 10 p.c. of the income as was expected at the time of creating the temporary post (Mr. Commr's note d 27.4.1909) The pay of the manager is Rs 8 per mensem & the income should be Rs 960 at least so that the cost of collection maybe 10 % of the revenue. As the income for 1911-12 was Rs 878 only, the post may continue to be temporary for another 2 years. There is necessary provision in the budget for meeting the charge during the current year and the financial condition of the Nagamangala unit

General and Revenue Departments.

Sir,

Adverting to Government Proceedings No.2631-2/M1. 911 76-11-9 dated 12-10-1911 sanctioning till the end of June 1912 the retention in service of the Octroi Manegar of Nagamangala Municipality, I have the honour to state that the Octroi income is on the increase since the year 1909-10, as will be seen from the table appended in the margin

2) The question of constituting Nagamangala into a Regulation Municipality is under correspondence and the proposals therefor will be submitted to Government in due course The Municipal Board are of opinion that there is every probability of the increase in Octroi income in future and that the Manegar may be confirmed in his appointment. The Sub Division Officer of French Rocks Division supports the above proposal in his No 37/433 dated 22-7-1912

3) In agreeing with the views of the Municipal Board and of the Sub Division Officer, I request that Government may be pleased to sanction the confirmation of the Manegar in his appointment with effect from 1st July 1912 This will prove an incentive to the official to use every effort

to
